

Agility Handling Seminar – Putting FUN in the FUNDamentals – December 9th, 2017

With Anne Stocum, Game On! Dog Training, LLC

Mastering the FUNDAMENTALS in any sport is essential. This seminar will clarify 4 essential basics in Dog Agility: Connection and Commitment, Motivation, Crosses and Lines. This seminar is for any handling system because the **FUNDAMENTALS** are the same. Learn how you can improve your dog training AND handling to get the most out of each run by better understanding the **Fundamentals** of our sport.

What are your FUNDAMENTALS? Have you built a great CONNECTION with your dog? Does your dog COMMIT to his lines and obstacles based on your position and motion? Are you getting the best EFFORT from your dog? Do you have a systematic approach to the placement and timely execution of CROSSES? Is your dog getting TIMELY information? Does your dog RESPOND in a predictable way to your handling? At this seminar, get the guidelines and practical advice on how to improve those essential basics. THIS IS NOT A FOUNDATION SEMINAR...IT IS MEANT FOR TEAMS WHO ARE AT NOVICE TO MASTERS LEVEL.
